

Attention Junior Blue Hen Families.....

Be a part of a national ice hockey event!!

The 2010 USA Hockey Tier II Youth National Championships are being held right in our own backyard this year at Ice Line Quad Rinks in West Chester, PA April 7-11.

Hockey clubs in the DVHL are being asked to contribute volunteers to help during the event. We need parents, coaches and/or family members who are ***18 or older*** to offer some time to help each day between 7:30am and 11:00pm at this exciting event.

More info can be found at www.juniorbluehens.com or www.usahockey.com.

If you are willing to volunteer, please email Dianne Bryan at dbryan@jrbluehens.org or call **302-378-9088**. Remember to include your contact information and the dates/times you are available.
